# Fowler's means fundraising success!

## Buffalo's locally owned premium chocolatier

Thank you for supporting the organization that shared this catalog with you. Your purchase makes all the difference in helping them achieve their goals and aspirations for the year, and helps out a vital part of the Buffalo community.

Fowler's Chocolates is a name that means superior chocolate. We are a Buffalo based, family run business that has been a part of this community since 1910. We've helped organizations meet and exceed their fundraising goals with our delicious products for over thirty years. We offer multiple fundraising options for schools, leagues, clubs and non-profits.

We now offer an online fundraising program with direct to home shipping or ship to school. This means no more forms to collect and no more door to door sales. This streamlined ordering process is less work for schools and organizations. These changes to our program are focused on helping your organization raise money for what's most important and reducing your workload while continuing to provide the best quality chocolates your community has come to expect year after year.

## Thank You!
